

# HAKEA coat pegs

Design by UNILUX in France

«HAKEA coat pegs: A robust and practical range for individual use or collective. »

## DESIGN

### A perfect support for the garments

The new design of the half-spherical gaiters prevents the clothes from sliding and ensures a perfect maintenance of the coats.

## FUNCTIONAL

### Serious reception capacity

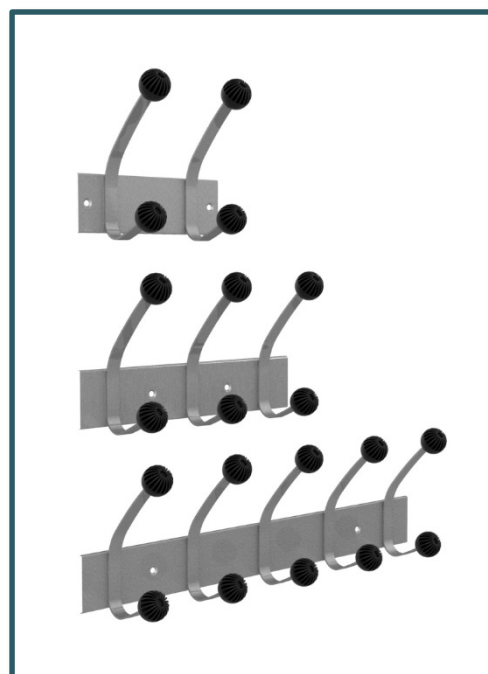

Hakea coat pegs is a range of double hooks available in three sizes (x2, x3 and x5 hooks).

## TECHINCAL FEATURES

### Materials

Coat hook: plastic

Coat pegs: metal Epoxy painting
