

## VERY PRACTICAL HYBRIDE

*Between coat stand and garment racks*

### DESIGN

#### Protective coat hangers

SPIRIT coat stand is the ideal compromise between conventional coat stand and professional garment racks. It is fitted with 6 solid wooden coat-hangers. Any types of clothes can be stored on SPIRIT coat stand. The studied shape ensures clothes' protection so that there is no deformation. The clothes can be put on the superior 50 cm bar hanger

### FUNCTIONAL

#### And robust

The structure in ADX steel and the 2x5 cm-thick-arm and the cross-shape base ensure the steadiness and robustness to support without difficulties the most heavy clothes such as leather jacket.

### THE ADVANTAGES

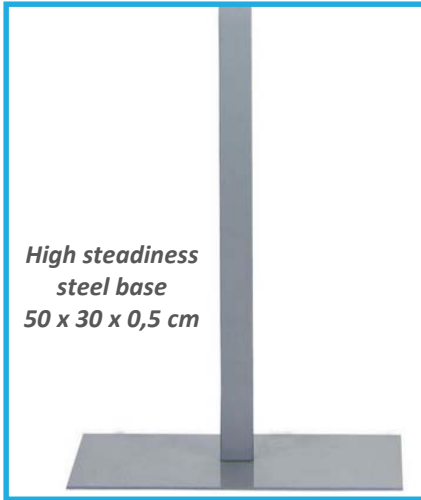

#### Easy mounting

Composed with 4 large pieces, the mounting is effortlessly done in 3 steps. Allen key fitted.

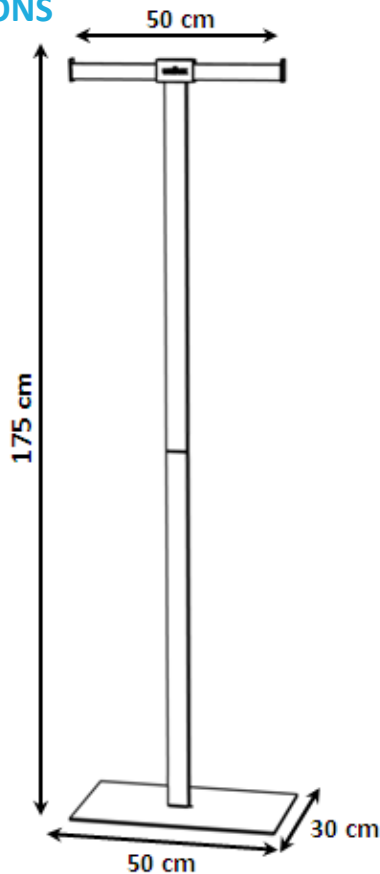

*“SPIRIT is a must have in waiting rooms, welcoming halls and casual cloakrooms.”*

**Technical data**
