

# SUCCESS

## 105

«SUCCESS 105 is a very handy large and handy architect lamp. Recommended for artistic activities, large architects' offices, workbenches.»

### **BEST PRICE FOR A ROBUST DESIGN**

#### **A timeless lamp**

Lamps from the range SUCCESS are timeless architect lamps with a universal design that has been attracting for decades. Success is especially robust with metallic tubes arm. Switch ON/OFF on the cable.

### **AMPLITUDE**

#### **Ideal for artistic activities**

The 105 cm arm enables high amplitude of movements and is ideal for drawing board, architects' offices or any other large surface.

Very easy to handle with the double articulated and rotating arm with balancing springs that facilitate the positioning in any directions.

### **RANGE DESCRIPTION**

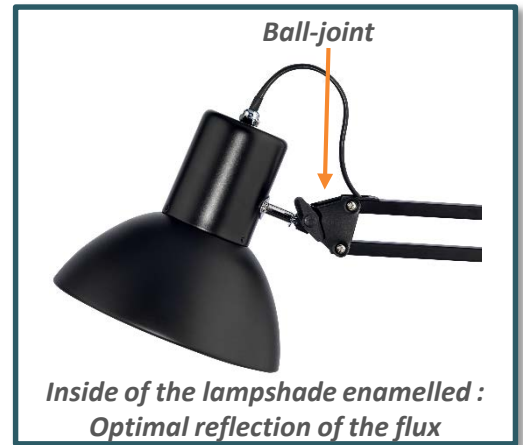

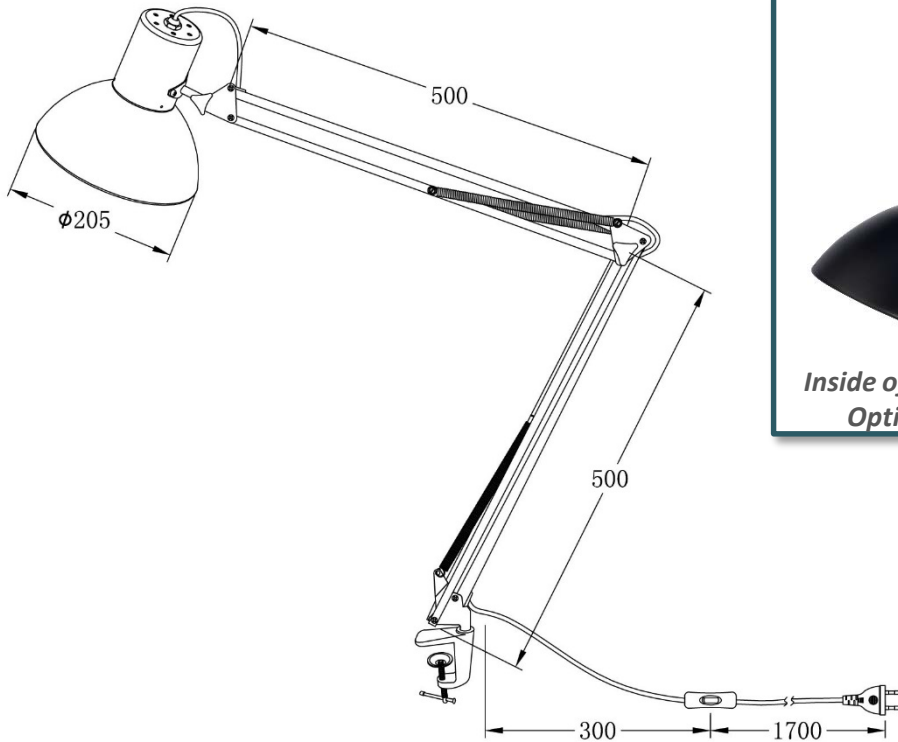

#### **Wide choice**

Success is available in 3 different arm lengths including 66cm, 80 cm and 105cm and also in 2 different colours: black and white.

Also available in chromium version with an 80cm arm.
