

/ DISC

« DISC: diffuses a powerful energy-efficient and quality lighting »
Fits any kind of office »

◆ HIGH PERFORMANCE

... and lasting

Disc is equipped with the latest generation of LED, very efficient: 590 lumens, luminous efficacy of 107 lm/w, for a lifetime of 40 years.

With a very low energy-consumption, Disc allows to save up to 80% on the power cost, and its environmental impact is low.

◆ VISUAL COMFORT

Ergonomics and well-being

The Disc lamp provides an optimal lighting:

- + than 500 Lux on the work surface
- Asymmetrical: avoids glare situations and limits contrasts
- A colour temperature called warm: 2900 K
- A good colour rendering : IRC > 83

◆ DESIGN

Clean and modern lines

Very nice clean lines, with a smart symmetry between head and base. Disc can suit any environment, modern or classical.

Asymmetrical lighting

Tilting arm and head
