

ULVA

Design by UNILUX in France

« Ulva, an entry-level lamp, offering a powerful lighting. »

ECONOMICAL

Ulva is an entry-level lamp with a very attractive price. It's equipped with a LED having a powerful lighting, a low energy consumption and a 20 years' lifetime.

DIMMING

And flexibility

Ulva offers 4 levels of light intensity, allowing everybody to adjust the lighting all day long according to their needs. The tactile dimmer-switch is located on the base.

DIFFUSION

The LED is equipped with a lens, for a better diffusion of the light.

*Rotative arm
On the base*

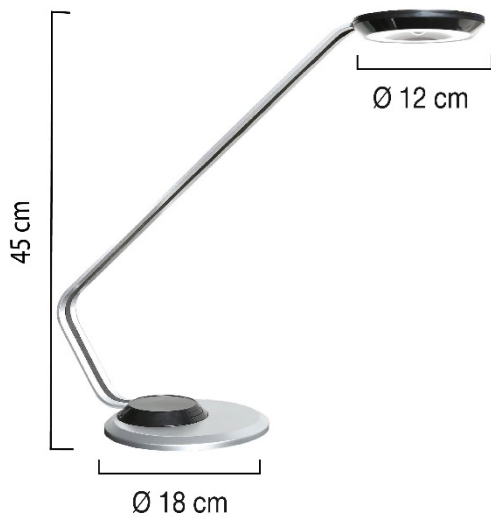

*Tactile dimmer-
switch:
4 intensities*
